

Durable custom labels direct to your business.

Engraved Labels for Industrial Applications

At Engraved Label Solutions we specialize in laminate labels for mechanical equipment on large commercial buildings. We pride ourselves on our quality and understanding of the industry and think of our clients as partners, maintaining the highest level of customer satisfaction.

ENGRAVED CUSTOM LABEL SERVICES

Our labels are durable plastic and are designed to last on heavy duty work and field equipment. They are perfect for HVAC, electrical, plumbing contractors and as labels for mechanical equipment identification.

- VAV boxes (Variable Air Volume Controls)
- Fan coils
- Blower coils
- Electrical boxes
- Pumps
- Outlets
- Switch gears
- Transformers,
- AHU (Air Handling Units)
- Exhaust fans

We manufacture our custom labels in-house and in any size, shape, color, or quantity to fit your needs. Visit our website for more information.

CUSTOM STICKER LABELING

Stickers are made from vinyl and are generally used to provide direction of flow for HVAC and piping components. On the HVAC components we can get stickers in two different sizes 2-1/4" x 16" and 4" x 24". Sticker labeling is completely designed per client needs. Ask us about:

- Duct stickers
- Voltage stickers
- Medical Gas stickers
- Pipe stickers
- Custom stickers

Sticker pricing is all done on a per job basis and so a quote is required for each project. Email us for more information on how we can help you with your particular needs.

STANDARD COLORS

The label base is a non-glare, easy to read, and fingerprint resistant acrylic. It is UV stable and weather resistant for outdoor applications. We carry the following field and color* combinations in stock. Other color combinations and wood grain labels are available for special order. Contact us for a full list.

* Due to production differences the above colors are not true to the actual color label. We suggest you request an actual product sample to be certain of color matches when required.

ENGRAVING

Font choice and size, lettering options, number of lines available, and depth of engraving will all depend on the size of the label needed and the specifications for each individual order. We can give you more information on your custom job at the time of the bid request. Please feel free to visit our website or contact us directly for more information on how we can help you with your labeling needs.
